

Resident centric Non-clinical Global Family Medicine

S. PRASAD MD MPH
UNIV. OF MINNESOTA

Resident centric goals and objectives

Meeting with individual resident

Local residency mentor

Departmental person

Milestones!

Individualize the evaluation by Milestones language

Milestones “Here”

Milestones “There”

“Humility of a learner”

“no cowboys, no saints, no heroes”

Ethics of global health

- Need for strong local presence
- Vetting process of local partners

Emphasis on sustainable partnerships

Strong faculty presence (local and US)

“If you cannot do it here, don’t do it there”
