

DONATE TO CUGH'S TRAVEL BURSARY PROGRAM FOR STUDENTS AND FACULTY FROM LOW & LOW MIDDLE INCOME COUNTRIES

Dear Colleague,

It is often prohibitive for faculty and students from low & low-middle income countries (LLMIC) to attend our annual conference to learn, collaborate, and share their work.

CUGH provides a limited number of travel bursaries to our LLMIC colleagues who have been invited to speak at our next Global Health conference, March 7-10, 2019 in Chicago. All donations from the US are tax deductible. All donations will be used to support this program.

Thank you for your assistance.
