

MEMBERSHIP APPLICATION (2023)

*The **Consortium of Universities for Global Health (CUGH)** facilitates interdisciplinary collaborations and knowledge sharing to address global health challenges and to improve the health of people and the planet. It assists members to strengthen their global health programs and share their expertise across education, research, and service. It is dedicated to creating equity and reducing health disparities everywhere. CUGH promotes mutually beneficial, long-term partnerships between universities in resource-rich and resource-poor countries to develop human capital and strengthen institutions' capabilities to address these challenges. It is committed to translating knowledge into action.*

For more information about membership in CUGH see:

MEMBERSHIP BENEFITS

CUGH addresses global health issues on behalf of the academic sector and its partners, by helping to harness the capabilities of academic institutions in research, education and service to achieve greater impact. We facilitate knowledge sharing, partnership development and the scaling up of evidence-based solutions to bring new solutions to these challenges.

CUGH promotes and advocates for cooperative interdisciplinary programs in and among member universities. Being a member of CUGH brings your university into a dynamic association of over 175 organizations globally that participate in CUGH activities. CUGH membership benefits include:

Note: If your institution is a CUGH member, all faculty, students and staff from your university or organization are CUGH members and can use the benefits.

- Connect to a network of over 38,000 individuals involved in global health and over 175 academic institutions and partner organizations worldwide
- Network with CUGH's global network of faculty, students, implementers, and funders engaged in global health across sectors and disciplines
- Discounted rates for CUGH's [conferences](#) and workshops
- Participate in CUGH's [committees, subcommittees, and working groups](#)
- Propose webinar topics and speakers (subject to approval by CUGH's Executive Director)
- Submit panels for CUGH's annual conferences
- Students who submit an abstract to the annual conference may be mentored by CUGH's Research Committee
- Students are eligible to serve on CUGH's Trainee Advisory Committee
- Participate in advocacy efforts on global health issues and for academic-based global health programs
- Host a regional conference with CUGH
- Access CUGH's online job, fellowship, and funding opportunities
- Post job and funding opportunities on CUGH's online platforms for free
- Highlight your institution in our monthly bulletin (received by 38,000 global health practitioners worldwide) to promote your programs and new initiatives
- Institutional voting rights in CUGH's Board elections and initiatives
- Eligibility to serve on the CUGH Board of Directors (*must be a Full Institutional member. Associate Institutional Members are ineligible*)
- Opportunity to participate in CUGH's [APPI](#) mentorship program as both mentor or mentee
- Attend member-only virtual or in-person networking events

University membership in CUGH offers distinct and unique advantages to faculty and students to strengthen and expand their contributions to addressing global health challenges. It will augment your institution's presence in the global health community, facilitate linkages with like-minded academics at institutions around the world, and provide access to information about job, research and training opportunities.

Please email us at membership@cugh.org or call us at (202) 974-6353 for further information on the membership application process for CUGH.
